Help Wanted!

The Lions have asked for volunteers to help work their concession stands at the West Metro Motorcross event being held at the Corcoran Lion's Park Fridays, May 10th & 31st.

They are fairly low-key and relaxed about it. No need to call ahead. If you can help, just arrive preferably sometime between 5 & 6 PM. Stay as long as you are able to. It is a fun opportunity to interact with all the people and watch the races!

One final event they would like our help with is their tractor pull on June 1st. Mark your calendars!

For all of our help at these events, the Lion's have offered to make a donation to the Jaycee's

The Jaycee Creed

We believe:

That faith in God gives meaning and purpose to human life;

That the brotherhood of man transcends the sovereignty of nations;

That economic justice can best be won by free people through free enterprise;

That government should be of laws rather than of men;

That earth's great treasure lies in human personality;

And that service to humanity is the best work of life.

Mama G's Report

Mama G's owners and staff have been meeting and working through the necessary legal work and paperwork to get their business up and running again.

They expect to open part of the existing structure for business sometime this summer while the construction of a new building begins.

We wish the owners the best as they attempt to recover and rebuild.
